FUS MSUD755	Color LCD Display	$599.99

FUSION MS-RA55 Compact Bluetooth Marine Stereo

The most compact FUSION stereo system yet, the MS-RA55 delivers clear and dynamic sound reproduction in a marinized, space-saving chassis. With Bluetooth audio streaming, users can stream music from any compatible device to the MS-RA55, allowing boaters to enjoy their favorite streaming service apps. Featuring a sleek front face finish with a shallow-mount case design, the new low-profile MS-RA55 design allows for easy installation on small boats, tenders and personal watercraft, adding the highest quality sound to vessels that previously lacked the space for a full-feature stereo system.

- Bluetooth® wireless technology
- Multi-zone™ technology
- 2.3" LCD display
- IPX5 rated water resistant front panel
- Compact size - a shallow dash mount depth of only 2-1/8" makes it perfect for small boats and personal watercraft
- Package comes with pair of EL602, 6" Speakers

Shakespeare SINCE 1897

QuickConnect™ VHF Antenna System

To make it easy and convenient to install/replace your antenna, Shakespeare designed a QuickConnect™ antenna system with cable attached to the mount instead of the antenna itself. Simply screw on/off the antenna, and enjoy this hassle-free and cost-effective alternative to the traditional antenna installation. The QuickConnect™ products have a 2 year warranty and have the same mounting hole pattern as our standard antenna mounts. Note: When selecting a QuickConnect™ antenna, **you must pair it with a QuickConnect™ mount (sold separately).** Includes PL259CPG Connector.

No.	Length	dB Gain	Ferrule	Price
SHA QC4	4'	3 dB	Chrome-plated Brass	$49.99
SHA QC8	8'	6 dB	Chrome-plated Brass	$59.99
SHA QCMS		QuickConnect™ S.S. Rachet Mount		$66.49

JBL MARINE

6-1/2" 150 Watt Dual-Cone Marine Speakers

Rubber surrounds offer superior edge protection and are much more reliable than foam. And a grille-mounted tweeter allows the front of the woofer cone to be sealed, protecting the motor structure from sea spray.
• Type: 6" Dual Conet
• Nominal impedance: 4 ohms
• Sensitivity (2.83V/m): 90db
• Its outside diameter is 7-1/8" with a hole cutout of 5-1/16" and depth of 2-13/16"

No. PSP JBLMS6510

HUMMINBIRD
Simply. Clearly. Better.

In-Dash Digital Depthsounder

Humminbird® Digital Depth Gauges give you instant, reliable depth readings even at speeds of up to 70 mph, and can alert you to both deep and shallow water. Installation in any existing 2-1/8" opening is easy, and they wire to the ignition to automatically turn on. The display reads in feet, meters or fathoms, and you can pick a color to complement your boat's gauges. Customizable (2 face plates & 3 trim rings included)

- 1.25" LCD Display
- 600 ft depth
- Deep/Shallow water alarms
